

Immaculate!

This move-in ready house has love written all over it.

5851 Vinca Ave

\$361,000 | 3 bdrm | 2 bath | 2,994 total sf | built 2015

The home is well maintained inside and out. It offers single-floor living in a quiet neighborhood on a corner lot. Inside it features water views from the kitchen, faux wood (white) blinds, a spacious laundry room, and a walk-in closet in the master. The unfinished basement includes locked window well covers. The third garage stall opens to the back yard. The home is close to schools, health care, and lots of shopping, coffee and dining options. Firestone was the second safest town in Colorado according to www.movoto.com in 2014.*

Master Suite

The master bedroom includes a bathroom with dual sinks, shower and walk-in closet.

Open Floorplan

From the entryway to the kitchen, the vaulted living room ceiling and arches create an open feel, yet separate living spaces throughout.

Patio with a View

The outside features manicured landscaping with a water-saving irrigation system, raised beds ready for your vegetable garden. The stamped concrete back patio boasts mountain views.
